Maths Expert

Ajay Vatsyayn, has more than 7 years of invaluable experience in preparing students for the IIT JEE examination, with a specialization in mathematics. He holds a Bachelor's degree in Computer Science from Reknowned University, UPTU. His passion for mathematics and dedication has helped hundreds of students in excelling one of the toughest entrance exams in India ,which also act as his inspiration for constantly working hard upon students. He ensures that he shares his unfathomable knowledge ,experience and insights in order to help students achieve their desired academic goals.

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a} \quad V = s^3$$

$$V = \frac{4}{3} \pi r^3$$

IIT JEE level math
